- All degrees / diplomas are awarded by the Tata Institute of Social Sciences. TISS is a deemed University under Section 3 of the University Grants Commission Act, 1956.
- Examination Fees, payable on an annual or semi-annual basis, are additional. You will be intimated of the same from time to time.
- GST <u>has not been levied</u> based on prevalent taxation rules / guidelines for educational institutions. However, these are subject to change. Any taxes levied by the government / taxation authorities would be additional & intimated to students with appropriate notice.
- The Semester 1 instalment includes security deposit. This is non-interest bearing and refundable on program completion or withdrawal, subject to deductions.
- The institute undertakes all refunds of fees & security deposits only twice a year in the months of August and February. So all refund requests processed during the year are disbursed only in these months.
- All amounts are listed & payable in Indian Rupees, for both Indian and International students.
- All payments made by Indian nationals must be accompanied by the Permanent Account Number (PAN) of the payee, without which fees will not be accepted.
- All fees are as mentioned are for the program as a whole, and are being collected over instalments to reduce the burden of paying large amounts on the student. The semester-wise payments are not reflective of the value of the program completed till then or the value charged specifically for that semester.
- The 'Acceptance' payment is payable within two weeks of being accepted into a program. If a student is accepted within two weeks of program commencement, then it is payable on registration day.
- The 'Acceptance' payment is non-refundable, although it can be carried forward for a maximum of 2 intakes, subject to management approval. The Fee policy applicable to students who push forward their admission will be the one that is active when the student does join the program. WWI refunds the 'Acceptance' instalment to students only in case they withdraw 45 days before program commencement, and under exceptional circumstances only, in which case an amount of Rs 75,000/- (+ taxes as applicable) will be retained by WWI as Processing fee.
- Semester 1 fees are payable on Registration day, which may be a few days prior to program commencement. All other instalments are payable 1 week before the commencement of each Semester, except for the final Semester. All payments listed under the Final Semester of each program have to be paid before the penultimate semester is completed.
- Once a Semester has commenced, all fees paid / payable upto the end of that semester are non-refundable. Should a student leave his/her program mid-semester, all fees paid / payable are non-refundable but any fees paid in advance for future semesters will be refunded, with the security deposit, subject to deductions.
- Transfer of fees across / between programs is subject to management approval, on a case-by-case basis, and will involve a recalculation of fees based on the existing fees in the new program & the amount already paid by the student and where in the program (which semester) the student chooses to transfer:
- If a student changes specialisation mid-program from a program with a lower fee to a program with a higher fee, the fee difference, on a retrospective basis (for the semesters already completed), is to be paid by the student before commencement of the next Semester.
- If a student changes specialisation mid-program from a program with a higher fee to a program with a lower fee, no refunds will be made retrospectively for fee differences, if any in the Semesters already completed, and, irrespective of such differences, fees payable for future Semesters have to be paid as per the fee policy.
- If a student wishes to withdraw from the program between 2 semesters, he / she has to convey the same in writing to the Dean and the Administration Manager atleast 2 weeks prior to Semester commencement. After such date, entire fees payable for that semester will be applicable.
- In case of refunds or claims sought, the student will hold Whistling Woods International alone responsible for the same as it is the institution that is delivering the education as the implementation partner of TISS. Whistling Woods International has indemnified TISS of the same.
