- All payments made by Indian nationals must be accompanied by the Permanent Account Number (PAN) of the payee, without which fees will not be accepted
- All fees mentioned are for the programme as a whole, and are being collected over instalments to reduce the burden of paying large amounts on the student. The semester-wise payments are not reflective of the value of the programme completed till then or the value charged specifically for that semester
- The 'Acceptance' payment is payable within two weeks of being accepted into a programme. If a student is accepted within two weeks of programme commencement, then it is payable on registration day

An amount of INR 75,000/- (+ taxes as applicable) will be retained by WWI as Application processing & Admission Costs
- Semester 1 fees are payable on Registration day, which may be a few days prior to programme commencement. - Once a Semester has commenced, all fees paid / payable upto the end of that semester are non-refundable. Should a student leave his / her programme mid-semester, all fees paid / payable are non-refundable but any fees paid in advance for future semesters will be refunded, with the security deposit, subject to deductions
- Transfer of fees across / between programmes is subject to management approval, on a case-by-case basis, and will involve a recalculation of fees based on the existing fees in the new programme & the amount already paid by the student and where in the programme (which semester) the student chooses to transfer
- If a student changes specialisation mid-programme from a programme with a lower fee to a programme with a higher fee, the fee difference, on a retrospective basis (for the semesters already completed), is to be paid by the student before commencement of the next semester
- If a student changes specialisation mid-programme from a programme with a higher fee to a programme with a lower fee, no refunds will be made retrospectively for fee differences, if any in the semesters already completed, and, irrespective of such differences, fees payable for future semesters have to be paid as per the fee policy
- If a student wishes to withdraw from the programme between 2 semesters, he / she has to convey the same in writing to the Dean and the Administration Manager atleast 2 weeks prior to semester commencement. After such date, entire fees payable for that semester will be applicable

TISS - WWI Fee Policy 2021

- In case of refunds or claims sought, the student will hold Whistling Woods International alone responsible for the same as it is the institution that is delivering the education as the implementation partner of TISS. Whistling Woods International has indemnified TISS of the same
- Any scholarship / fee waiver / fee adjustment extended to a student will be used to reduce the fees payable for the ultimate (final) Semester of his / her programme. If scholarship / fee waiver amounts are higher than those payable for the final semester, then the balance over & above that will be used to reduce the amount payable for the penultimate semester, and so on
- A delay in Fee Payment will attract a penalty of INR 5,000/- per week. Each act of cheque bouncing / dishonour of cheque will attract a penalty of INR 5,000/-
- Health Insurance is mandatory for all students. Whistling Woods International provides a group health insurance policy, the cost of which is already built into the fees. There is no additional payment needed for the same

The same will be made available at a heavily discounted rate of INR 5,000/- per year. This will reflect separately in the invoice for Sem 1, 3, 5 & 7, as applicable
- TISS norms mandate that a student needs to complete his / her undergraduate degree within 5 years of programme commencement, irrespective of breaks taken for medical matters or term repeat requirements. If multiple breaks cause the students to cross the 5-year threshold, they will need to re-register as a new student. The same is also applicable in case of credit transfers from other universities, or for students who have taken a break and are looking at re-commencing their education at WWI-TISS
- Whistling Woods is facing litigation with respect to its campus in Filmcity, Mumbai. WWI has secured relief through interim orders passed by both the Hon. Supreme Court of India on September 22, 2014 and the Hon. Bombay High Court on July 30, 2014, on WWI's Review Petition challenging the Hon. Bombay High Court's February 2012 decision on the matter. In its order of July 30, 2014, the Hon. Bombay High Court has allowed WWI to continue its educational activities unhindered until the Review Petition is finally disposed off and in its order of September 22, 2014, the Hon. Supreme Court of India has reaffirmed that decision. The Maharashtra State government, through its Cabinet has taken a decision, in late 2018, to allot the land on which the campus is situated to WWI on a long-term lease subject to High Court clearance. The Cabinet Note for the same is available in the Maharashtra government public documents section. The lease agreement finalisation is currently underway and will be presented before the High Court soon. In case there is any update on this matter, adequate intimation / notice will be given
- Fee Policies as above are subject to change at Management's discretion. Appropriate notification of the same will be given to all students. Excessively delayed fee payments may be cause for cancellation of enrolment of student
