*TF - Tuition Fees
*OF - Other Fees

TISS – Whistling Woods International Programmes

Notes to Fee Policy 2026

Notes:

- All Graduate & Post-graduate Degrees and Diplomas are awarded by the Tata Institute of Social Sciences. TISS is deemed to be University under Section 3 of UGC Act 1956
- All amounts are payable through an online payment portal, the link to the same will be mentioned in each invoice that the student receives. Students can pay by NEFT / RTGS / electronic transfer
- GST or any other taxes have not been levied on any of the fees based on prevalent taxation rules / guidelines for educational institutions. However, these are subject to change. Any taxes levied by the government / taxation authorities would be additional & intimated to students with appropriate notice
- All amounts are listed & payable in INR, for Indian & International students. All Bank charges are to be borne by the students
- All payments made by Indian nationals must be accompanied by the Permanent Account Number (PAN) of the payee, without which fees will not be accepted
- All fees are as mentioned are for the programme as a whole, and are being collected over instalments to reduce the burden of paying large amounts on the student. The semester-wise payments are not reflective of the value of the programme completed till then or the value charged specifically for that semester
- The Semester 1 payment includes security deposit. This is non-interest bearing and refundable on programme completion or withdrawal, subject to deductions, if any
- The 'Acceptance' payment is payable within two weeks of being accepted into a programme. If a student is accepted within two weeks of programme commencement, then it is payable on registration day. The 'Acceptance' payment is non-refundable, although it can be carried forward for a maximum of 2 intakes, subject to management approval. The Fee policy applicable to students who push forward their admission will be the one that is active for the batch into which the student joins the programme. WWI refunds the 'Acceptance' instalment to students only in case they withdraw under exceptional circumstances involving health issues or academic ineligibility to join said programme. An amount of Rs 50,000/- (+ taxes as applicable) will be retained by WWI as Application processing & Admission Costs
- Semester 1 fees are payable on or before Registration day, which may be a few days prior to programme commencement
- **All semester payments are payable with the deadline of 15' November (for the subsequent Jan-June semester) and 15th May (for the subsequent July-Dec semester), after which a late-fee charge will be levied of INR 5000 per week**
- The institute undertakes all refunds of student security deposit only in the month of February, after the convocation
- In case a student does not pass his/her exam or does not proceed to the subsequent semester for any reason, the fees payable for future semesters will be refunded immediately
- Once a Semester has commenced, all fees paid / payable upto the end of that semester are non-refundable. Should a student leave his/her programme mid-semester, all fees paid / payable are non-refundable but any fees paid in advance for future semesters will be refunded, with the security deposit, subject to deductions
- Transfer of fees across / between programmes is subject to management approval, on a case-by-case basis, and will involve a re-calculation of fees based on the fees of the new programme & the amount already paid by the student and the fee difference, on a retrospective basis, is to be paid by the student before commencement of the next Semester
- Programme Fees do not include any additional study tour costs. While such costs are rare, they will need to be borne additionally as and when required. Due notice will be given to students for the same

Additional Amounts Payable over & above fees mentioned above:

- Examination Fees, payable on an annual or semi-annual basis, are additional. You will be intimated of the same
- Alumni Network Fees — Whistling Woods works with a third party for running and managing its alumni network. There is a one-time Alumni Network membership fee to be paid by each student for joining the alumni network which at present is Rs 10,000/-. The same will be deducted from the security deposit at the time of graduation
- Students would need to acquire some hardware / software / supplies, as under:
 - All students of Filmmaking, Animation, Gaming, Fashion, VCD, BBA, MBA programmes will need to subscribe to the Adobe Creative Cloud Enterprise License via annual subscription. Mandatory to all. The same is being made available to them through Adobe's technology partnership with WWI

TISS – Whistling Woods International Programmes Notes to Fee Policy 2026

- All students being accepted into **Animation & Gaming programmes** need to acquire a high-end windows laptop of specifications: i9 (or better) processor with high processing core number, a high-end graphic card on par with NVIDIA RTX 4090 (or higher) and a minimum of 32GB DDR5 RAM (or higher). Exact specifications or recommendations of brands / models will be given to students in March or April, based on the prevailing models available in the market
- All students of the **Music Production & Composition programme** will need to acquire a MacBook Pro laptop with specifications: MacBook Pro M4 Processor, 32GB DDR5 RAM (higher is better), a good quality headphone, a MIDI controller keyboard, a license of ProTools software, Sibelius software and a license of the Apple Logic Pro X sequencing software. Changes to the same, if any, will be intimated at the time of admission
- All students being accepted into the **Producing specialisation of Filmmaking** need to acquire Movie Magic Budgeting & Movie Magic Scheduling softwares, which will be made available to them at a special cost allocated for WWI students
- All students being accepted to the **Fashion Design programme** will need to acquire an Art Material Kit, a Sewing Kit, and some fashion reference books
- All students would need to acquire good quality headphones. We do not recommend sharing of headphones. In case students are considering choosing Sound as an elective, then a Pro model may be more appropriate. WWI is happy to recommend brands & models for the same, if needed
- Students other than for the above-mentioned programmes need not acquire their own hardware and can use the computing assets available on campus, but it is recommended that they acquire a personal laptop after their 1st year, preferably a Macbook Pro. WWI is happy to assist students in selection of their hardware devices. WWI also has student discounted pricing, details of which will be made available to the student
- Whistling Woods International provides a group health insurance policy, the cost of which is already built into the fees. There is no additional payment needed for the same. However, it is incumbent on students and parents to provide accurate health information, else the insurance company may reject claims based on 'undeclared pre-existing condition' rules, at which point, the cost of the medical treatment will have to be borne by the student / parent
- A delay in Fee Payment will attract a penalty of Rs 5,000/- per week. Each act of cheque bouncing / dishonour of cheque will attract a penalty of Rs 5,000/-
- Norms under the New Education Policy allow a student to take a break during the tenure of a degree programme. This includes term repeat on account of failure or attendance norms. So, a 3-yr UG degree programme needs to be completed within 6 years & a 4-yr UG degree programme within 7 years. For students taking a break and rejoining the programme or repeating semesters for any reason, fees will be payable as applicable based on the current fees prevailing for that semester for the batch that the student joins into. If multiple breaks cause the students to cross the 6/7 year threshold, they will need to re-register as a new student. The same is also applicable in case of credit transfers from other universities
- Whistling Woods is facing litigation with respect to its campus in Filmcity, Mumbai. WWI has secured relief through interim orders passed by both the Hon. Supreme Court of India on September 22, 2014 and the Hon. Bombay High Court on July 30, 2014, on WWI's Review Petition challenging the Hon. Bombay High Court's February 2012 decision on the matter. In its order of July 30, 2014, the Hon. Bombay High Court has allowed WWI to continue its educational activities unhindered until the Review Petition is finally disposed off and in its order of September 22, 2014, the Hon. Supreme Court of India has reaffirmed that decision. The Maharashtra State government, through its Cabinet has taken a decision, in late 2018, to allot the land on which the campus is situated to WWI on a long-term lease subject to High Court clearance. The Cabinet Note for the same is available in the Maharashtra government public documents section. The lease agreement finalisation is currently underway and will be presented before the High Court soon. In case there is any update on this matter, adequate intimation / notice will be given
- Fee Policies as above are subject to change at Management's discretion. Appropriate notification of the same will be given to all students. Excessively delayed fee payments may be cause for cancellation of enrolment of student
